

What Can HEAD START Offer You and Your Child?

We offer fun educational experiences for your child as well as health, social services, parent involvement activities, services to special needs children, breakfast/snack, lunch and bus service (where available).

ALL FREE!

Parent Involvement: Parents are always welcome in their child's classroom and are encouraged to be involved in their child's education through a variety of ways – by volunteering in the classroom and on the bus, workshops, training, policy council and advisory committees.

Education Services which provides for the child's social, emotional, intellectual, and physical needs.

Health Services are provided. These include a free dental examination, vision and hearing screenings, and mental health screenings.

Social Services which strengthen the ties between the program and the home, while helping families become aware of the community services that are available, as well as how to access these services.

We offer the opportunity to develop and put into use individualized Family Partnership Agreements that help set goals for the family. We offer resources and referrals to help meet the needs and goals of the family.

Nutritional Services which provide breakfast, lunch and snack daily as well as teaching good nutritional habits.

Mental Health Services which helps each child develop in his/her full potential.

Transportation Services which bus children to the centers if parents live in the transportation areas.
