

Northwestern Illinois Community Action Agency

Has Received \$300,000 of Funding

From

The Illinois Housing Development Authority

For

The Home Repair and Accessibility Program (HRAP) to make repairs for health, safety, energy efficiency, or accessibility of 6 homes in Stephenson and Jo Daviess Counties.

The participants for the HRAP 2 year Program have been selected from the large number of people on the carryover list from prior programs who did not receive assistance. We will not be adding any new people to the list of potential applicants for this program.
