

FREE AMPLIFIED PHONES

Available to anyone in the State of Illinois!

People who are deaf, hard-of-hearing or have a speech disability can qualify for a FREE amplified phone, iphone or ipad through the Illinois Telecommunication Access Corporation (ITAC). RAMP is an ITAC selection center.

Basic Requirements:

- Resident of Illinois
- Proof of Landline AND/OR Cellular Phone Service (Pre-paid cell phones ARE eligible)
- Application signed by a medical professional stating the applicant is unable to use a standard phone
- Some phones require wifi
